REPORT

# INVESTING IN OUR COMMUNITY

## COMMUNITY DEVELOPMENT

Building the Hampton Roads community has always been a priority for Old Point. Today, we donate a significant amount of time and resources to area chambers of commerce, Rotary, Kiwanis, Lions and other service clubs and organizations whose main purpose is to help our communities thrive.

## ARTS & CULTURE

Old Point is proud to support arts and culture blossoming in Hampton Roads. We're fortunate to live in such a vibrant area rich in culture and history, so we make sure to support local museums, arts organizations and festivals.

## HEALTH & WELLNESS

Strong communities are made up of strong individuals, which is why we support a variety of health and wellness initiatives!

## EDUCATION

We all want the best for our children. That's why Old Point remains passionately committed to enhancing our educational resources throughout our community.
