

Agreement to Provide Insurance

I understand that to provide protection from serious financial loss, should an accident occur, my installment contract requires the car to be continuously covered with insurance against the risks of fire, theft and collision, and that failure to provide such insurance gives the Bank indicated below the right to declare the entire balance immediately due and payable. Accordingly, I have arranged for the required coverage through the insurance company shown below and have requested my agent to note the Bank's interest in the vehicle and endorse the policy with a loss payable endorsement in favor of:

Old Point National Bank
